*Additional fees and/or tuition increases associated with the programs are not included in this estimate.

The above tuition and fee estimates are based on the current tuition and fees projected as stagnant rates across seven semesters. The above is an estimate and subject to change. Historically, annual tuition increases have ranged 2-3%.

Fees/costs not directly collected by the University are not included in the above estimates. Expected additional costs that students should plan are expenses for technology (laptop required), textbooks, medical instruments, program required attire, matriculant & clinical clearance costs, travel expenses, PA licensing fees, DEA application fee, NCCPA application fee.
